IMPLEMENTATION REQUIREMENTS

✓ Resident Email Announcement (Required)

The Property Partner agrees to distribute one initial resident email announcement introducing the availability of RENTFLOW as a voluntary resident benefit.

RENTFLOW will provide all email content, graphics, QR codes, enrollment links, and supporting materials necessary for distribution.

The initial resident announcement is a required component of program implementation and serves as the property's introduction of RENTFLOW to its residents.

Following the initial announcement, the Property Partner may elect to distribute additional resident email updates, reminders, or program communications at its discretion. RENTFLOW will provide supporting content and materials upon request.

OPTIONAL RESIDENT COMMUNICATION CHANNELS

☐ Resident Portal ☐ Resident Awareness Event

☐ SMS / Text Messaging Platform ☐ New Resident Welcome Materials

☐ Community Newsletter ☐ Renewal Communications

☐ Leasing Office Display Materials ☐ Other: _____

PROPERTY PARTNER ACKNOWLEDGEMENT

The Property Partner acknowledges that:

- ✓ One initial resident email announcement is a required component of program implementation.
- ✓ RENTFLOW will provide approved resident communication materials, graphics, QR codes, enrollment links, and supporting resources.
- ✓ RENTFLOW will serve as the primary point of contact for program-related resident inquiries.
- ✓ **RENTFLOW is designed to operate alongside existing property operations without requiring changes to leasing, rent collection, resident management, or lease enforcement practices.**
- ✓ Participation does not require premium collection, claims administration, software integration, or additional staffing resources.
- ✓ **Participation is provided at no cost to the Property Partner.**
- ✓ Resident enrollment decisions remain solely between residents and RENTFLOW and its program partners.
